

### **Box office numbers (2018-2024)**

- Box office numbers were sourced from the website: [Box Office Mojo](#) .
- I compiled all of these numbers into an Excel file and transformed it into a CSV format.
- The CSV file is in my [repository](#).

### **Movie genres, runtime, ratings, and metascores (2018-2024)**

- Those data were sourced from the website: [IMDb - Feature Films](#) .
- I manually matched all of this data with the box office movie titles sourced from Box Office Mojo with IMDb's featured films findings in an Excel file and transformed it into a CSV format.
- The CSV file is in my [repository](#).
